

Dear London Calling,

To say you were fantastic when you played at our wedding at the Driskill Hotel in Austin on August 9, 2008 would be a huge understatement. You rocked! The dance floor was packed the entire night, which was exactly what we wanted. You truly made our wedding the event that it →

was. We still get compliments from our friends and family members who were in attendance. Everyone loved you and numerous people told us you were the BEST band they'd ever heard and how much fun you were. So, THANK YOU. Our wedding wouldn't have been what it was without you!

Sincerely, Tania & Tres Noel
